

HEALTH AND SAFETY POLICY

Leach International Corporation is committed to providing a safe and healthful work environment that protects its people, its property and the public from injury.

Site leadership and employees at every level of the organization are responsible and accountable for the company's safe operations and safety program initiatives.

Complete and active participation by everyone, every day, in every job is necessary to ensure our safety.

ENVIRONMENTAL POLICY

Leach International Corporation is committed to environmental stewardship and being a good corporate citizen in the communities where we live and work.

It is our goal to minimize our organization's environmental impact and maximize future generations' ability to live, work and play in our shared natural environment.

Employees at every level are responsible and accountable for the company's overall environmental initiatives.
